

2018 Oak Hill Permanent Orienteering Course Information

Courses available May 2, 2018 thru Oct. 31, 2018.

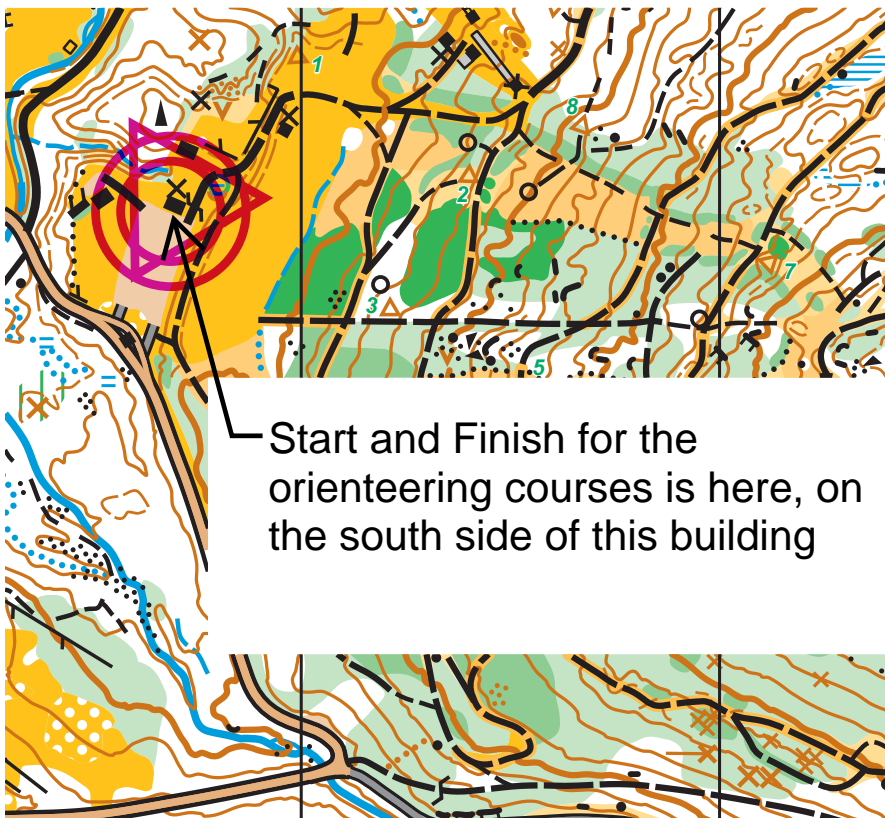

Contact Brian Kunz in Dartmouth Outdoor Programs office Brian.F.Kunz@Dartmouth.edu for maps.

There are two courses available: A 2.3 Km "Yellow" course of beginner/intermediate difficulty and a 3.9 Km "Green" course of advanced difficulty. Note that these distances are "straight line" so your actual distance will be more.

The start and finish are the south side of the small building at the north end of the parking lot. There is a sign on the south side indicating this.

Parking is available at Oak Hill, GPS coordinates 43.722439, -72.262854. From Hanover, head north on Route 10 approximately 1.4 miles to the first traffic circle. Turn right onto Reservoir Rd and go approximately 0.6 miles. Take a sharp left toward the Storrs Pond Recreation area. Go down the hill and turn right into the parking area immediately before the Storrs Pond pay booth. You do not need to pay to park at Oak Hill or to do the course. A Port-O-Let is located at the north end of the parking area adjacent to the start/finish.

If you get lost while doing the course, head west and south. That will bring you back to the parking lot or the Storrs Pond Recreation Area.
