

UP NORTH ORIENTEERS INVITES YOU TO JOIN

Up North Orienteers is a dynamic and friendly orienteering club, noted for welcoming newcomers, for our orienteering families, and for our top-level national competitors. Our club objective is to foster and promote orienteering as a recreational and competitive sport, both locally and nationally. We are an affiliate of the U.S. Orienteering Federation (USOF), which is the governing body for our sport in this country.

UNO activities take place in central and southern New Hampshire, but we are happy to have members from outside this area. Our event schedule is dominated by local meets (designed for beginners, casual orienteers, and competitive types). UNO Camping Weekend, the weekend after Labor Day, attracts family groups and devotees from outside our area. Every other year we host a USOF-sanctioned Class A event called **Boulder Dash**. Other activities include production of new maps, trail maintenance, and development of orienteering in the classroom or with youth groups. Our web site at <http://www.upnoor.org> includes an event schedule, results, and links to other orienteering sites.

The primary benefits of membership are a discount at UNO events, email reminders of events, and a vote in our quarterly business/social meetings. Meet fees are now \$5 for members and \$8 for non-members. For white and yellow courses, the fees are \$3 for members and \$5 for non-members.

The annual membership fee for Up North Orienteers is \$15.00 per household or organization. All memberships expire in December. The membership fee covers liability insurance required by USOF. We welcome additional contributions to help support outreach, training grants, the map development fund, and other club expenses.

Please indicate if you are a member of USOF. If UNO is not your "primary" orienteering club, please give the name of your primary club so we do not double-pay your USOF insurance fee.
